Palmer Sapsnick

Reindeer
herders
house

Nome, AK

Palmer is interested w/ Beel
Schneider & Kuni Rattumay. He
talks about his family's heritage of
reindeer herding - going back to his
grandfather. We were especially
eager to interview him because of
his tragic story of losing his
heerd to Carlow.

In this very personal
interview, he shares his story of
also some detailed observations
about aspects of weather changes.
