Dear Debbie,

I am going through the most recent tapes donated to the Oral History Program for the U.S. Fish and Wildlife Service Pioneers Oral History Project, and find there are a few things we need before they can be fully processed into the collection: 1) Signed release forms from all narrators. 2) The audiocassette tapes (and releases) for Keith Bayha, John Rogers, and Jerry Lawhorn et al. interviews (we only have transcripts).

Here is a listing of narrators we need release from for interviews with tapes:

William Reffalt, Richard Hensel, A. Evelyn Stevens, Gordon Watson, Karl Kenyon, Ted Bailey, Sid Morgan, June White, Jim Frates, ~~Aversill Thayer~~, Mary Bailey, Will Troyer, and Ed Whitsel.

For those that we need the tapes as well as release for, the narrators are:

Keith Bayha; John Rogers; and Jerry Lawhorn, Jim Branson, Richard Hensel, Terry Smith, Ray Tremblay, Theron Smith, Bob Richey, Jim King, Cal Lensink, Tom Wardleigh, John Sarvis, Dick Hensel (Richard?), and Bruce Conant.

I will appreciate any help you can give in this matter.

Sincerely,

Elizabeth Keech
