Hi Robyn, here's the initial from her to Bill who passed it on to me:
My book is printed and I'd like to give you a complimentary copy. Please let me know if you are available to meet, when and where.

I am working towards donating to the UAF Archives the tape recordings of Tishu Ulen, Harry Leonard, Fred Terrell, Charlie Breck, George Rayburn - if that is the appropriate repository. But first, Joe wants me to transcribe the recordings, so my work on that is in progress. While I used selected clips of recordings for material in the book, I did not transcribe entire conversations. I know that you were involved in the Oral History project, perhaps you can let me know how to prepare the recordings for donation (any paperwork?).

Thank you! I hope you have been having a good summer.
Peggy

Maybe do a quick search before she comes in here at 1 so we can compare them when she gets here.
Cheers
Leslie
