Harriet New. She selected the site for the U. Tied her handkerchief on a limb and said "This will be it." Loh lived in one of her cabins. Harriet told a story of tourists coming in, peering through the doors and saying "Why, they have carpet on their floors."

199-176

Judge Wickersham. Gave commencement address. His lecture notes got shuffled a little bit. Sumner was sometimes "at odds" w/ Wickersham.

Greening's commencement address.

Lowell Thomas "

176-25

Board of Regents. She has known the members personally. Tells of the appointment process for University presidency.

Greening was a great supporter of education and the University.

Tells of substitute teaching.

"More things are caught than taught" - by being an example and being interested is sometimes the best way to come across. My students don't have a sense of personal worth.

Loving and believing in people is the best way.
