Dear Jan,

Being sent to you separately are most of the oral history tapes from our collection HM-82-127-1 through -22. I discovered that three people did not sign release forms: Yule Kilcher, Clem Tillion and Tom Larson, so those tapes are not included. Within this envelope are copies of the other release forms. Also enclosed is a Record for Outgoing Loan Form for the Pratt Museum. Please read the conditions on the back, sign the form and return to me in the enclosed enveloped. Thank you.

These tapes may be used in accordance with your policies with no restrictions.

We would be delighted to receive not only a duplicate set of the tapes but also an additional set for reference/circulation in this area. Thank you.

If you have any more questions, please call.

Sincerely,

Janet Klein
Curator of Collections
